

ST JAMES GUESTHOUSES

Discover Rovos Rail's stately and elegant seaside retreats overlooking the vibrant fishing village of Kalk Bay and St James with majestic views across Cape Town's False Bay. St James, historically known as 'millionaire's mile', has made its comeback as one of the trendiest places to stay in Cape Town while Kalk Bay is one of the 'coolest neighbourhoods in the world' according to Forbes. This prestigious little stretch of the False Bay coastline where the mountains meet the sea is Mediterranean in style and has a trove of novel antique shops, delis, sidewalk cafés, boutiques and art galleries. A mere five-minute walk away, fresh fish can be bought from the local fishermen and the harbour itself has charming restaurants offering home-style cuisine and fine-dining experiences. The area still boasts the colourful Victorian bathing boxes and grand old houses reflecting the splendour of the early gold- and diamond-mining era. Over the road are the famous tidal pools and beaches where an early morning swim is a favourite pastime. Perhaps the biggest attraction is the land-based whale watching; in season they appear literally metres from the shoreline.
